Notice for Claims of Intellectual Property Violations and Agent for Notice

THIS PROCESS IS FOR COPYRIGHT AND OTHER INTELLECTUAL PROPERTY MATTERS ONLY. Correspondence regarding other matters will not be answered. For reports of abuse and related concerns, please see the contact information below.

If you believe that your work has been copied in a way that constitutes copyright infringement, or that your intellectual property rights have been otherwise violated, please provide us with the following information (your "Notice"):

Note: If you are asserting infringement of an intellectual property right other than copyright, please specify the intellectual property right at issue (for example, 'trademark').

an electronic or physical signature of the person authorized to act on behalf of the owner of the copyright or other intellectual property interest;

a description of the copyrighted work or other intellectual property that you claim has been infringed;

a description of where the material that you claim is infringing is located on our site, with enough detail that we may find it on the website (in most circumstances, we will need a URL);

your address, telephone number, and email address;

a statement by you that you have a good faith belief that the disputed use is not authorized by the copyright or intellectual property owner, its agent, or the law;

a statement by you, made under penalty of perjury, that the above information in your Notice is accurate and that you are the copyright or intellectual property owner or authorized to act on the copyright or intellectual property owner's behalf.

In some circumstances, in order to notify the subscriber, account holder or host who provided the allegedly infringing content to which we have disabled access, we may forward a copy of a valid Notice including name and email address to the subscriber or account holder.

Please note that, due to security concerns, attachments cannot be accepted. Accordingly, any notification of infringement submitted electronically with an attachment will not be received or processed.

If you feel that we are not abiding by this copyright policy, you should contact us immediately via telephone at (650) 598-1333 or via email. (2010_10)
